++ Valid for broadcast between 1800 and 0600

Headline:
Bright spells and a scattering of showers on Saturday.

This Evening and Tonight:
It will be mostly cloudy across northern and eastern Scotland with patchy rain or showers. Elsewhere, any isolated showers dying out this evening with some cloud breaks developing, the best of these around Glasgow and the southwest.

Saturday:
Rain in the southeast clearing through the morning. Northern and northeastern parts rather cloudy but much of Scotland bright with occasional sunny spells and just a scattering of showers.

Outlook for Sunday to Tuesday:
Largely fine with sunny spells and just a few showers around on Sunday and Monday with a cool northerly breeze. Sunny spells and showers on Tuesday, perhaps heavy.
